Name _____

Use the dot paper grid to answer questions 1–5.

1. What is the area of a rectangle that is 4 units long and 1 unit wide?
_____ square units
2. What is the area of a rectangle that is 4 units long and 2 units wide?
_____ square units
3. What is the area of a rectangle that is 4 units long and 3 units wide?
_____ square units
4. Use the pattern to predict the area of a rectangle that is 4 units long and 4 units wide. _____ square units
5. Use the pattern to predict the area of a rectangle that is 4 units wide and 7 units long. _____ square units

Problem Solving

6. Find the area of the figure. Then draw a rectangle with the same area.
Explain how you decided.
